

FRP Chemical Storage Tank - Data Sheet

General Info

Name: _____
 Phone #: _____
 Email: _____
 Date of Request: _____
 Project Location: _____
 Project Name: _____
 Quantity of FRP Tanks required: _____

Chemical Specifics

Chemical to be stored: _____
 Concentration: _____
 Specific Gravity: _____
 Temperature: _____

Vessel Specifics:

Arrangement: _____
 Top Head Type: _____
 Top Removable? : Y N
 Bottom Type: _____
 Anchoring Connection: _____
 Saddle Construction: _____
 Design Pressure: _____
 Capacity of Vessel: _____
 Vessel Diameter: _____
 Fire Retardant Resin Required? _____
 Insulation Required? _____
 Heat Trace Required? _____
 Location: _____
 Seismic Requirements: _____
 Wind Load Requirements: _____

Safety Options:

Ladder Required? _____
 Cage Required? _____
 No-slip top head/Railing: _____
 Top Platform/Grating: _____
 Construction: _____
 Exterior Color: _____

<i>Manways Req'd</i>
