

Enduro Pipe Recommendation Request

General Info

Name: _____
 Company Name: _____
 Mailing Address: _____
 City, State, Country: _____
 Email: _____
 Phone Number: _____
 Fax Number (if applicable): _____

Date of Request: _____
 Need Information By: _____

Application Data

Pipe Sizes: _____
 Above Ground: _____
 Below Ground: _____

*If buried, see "Buried Pipe Information Sheet"

Design Pressure: + PSI: _____ - PSI: _____ Vent Line: _____ Drain: _____
 Normal Operating Temperature: _____°F Maximum: _____°F Design: _____°F
 Media Composition: Fluid: _____ Vapor: _____ Slurry: _____ Particle Size: _____

Chemical Composition of the Fluid Stream:

Chemical	Concentration	Continuous/Intermittent (give time of exposure if applicable)

Current Plant History and Experience:

Other products being considered: _____
 Stainless Steel Lined Pipe Dual Laminate FRP Exotic Metal PVC/CPVC

Current material of construction (if applicable): _____
 Stainless Steel Lined Pipe Dual Laminate FRP Exotic Metal PVC/CPVC

How long has this line lasted: _____
 Reason for change: _____

Please provide plant or corporate specifications if applicable.
